# Why our products better?

VS

## Sterilization Box1

10 UVC LEDs

Two directions

With  
bottom bracket

Reflect UVC with  
plating layer

Sound holes and  
charging cable holes

Magnet switch

## Ordinary sterilization box

2-4 UVC LEDs

One-way  
sterilization

Without  
bottom bracket

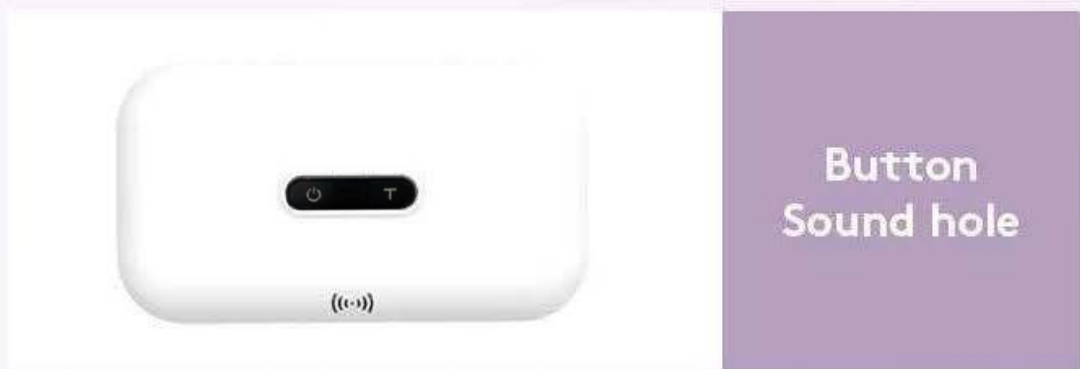

Without  
plating layer

Lack of detail

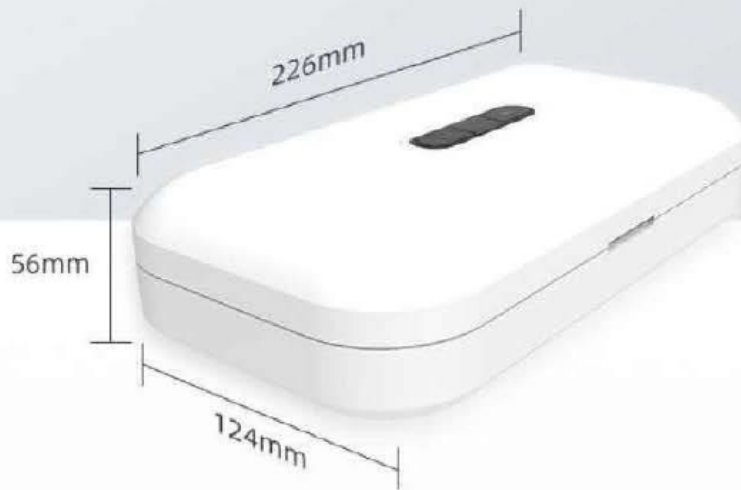

Ordinary switch

# Exquisite product details

# Product parameters

Name: Sterilization Box1

Voltage: DC-5V

Power: 3.5W

Current: 0.7A

Light wave: 270-280 nm

Size: 226X124X56mm

Weight: 370g

Temperature: -10°C- +60°C
